II. OTHER ACTIVITIES

25X1A

1. On 2 June [redacted] attended a lecture by Gerhardt Niemeyer at the Pentagon on the Freedom Academy Bill. Professor Niemeyer offered little insight beyond that which one might gain from reading the bill. Much of his time was spent in defending the position that the academy must develop a system of American values, a point with which many of his auditors took vigorous issue. In the opinion of [redacted] Dr. Niemeyer represents an intellectualized version of John C. Broger's "Militant Liberty."

2. [redacted] contacted SIC regarding the interview with one of their ex-Party penetration agents. Arrangements have been made for one general interview and two tape-cutting sessions. We hope, as a result of these sessions on the 12th, 15th, and 17th of June, to have a recorded interview on Party penetration which will be available for use in the Anti-Communist Operations course and a second tape on Party education for use in the Organization and Operations course. I have enlisted the aid of [redacted] to provide the machines and tapes for these sessions.
